C = 14-1/8" (height)

FEATURES

- **SIZE** - Provides hooks for up to 122 keys or key sets.
- **KEYLESS SECURITY** - Secures all of your keys, without a cabinet key that can be lost. High security combination tumblers. Heavy duty metal construction.
- **ORGANIZED** - Quickly find your keys or keyfobs in a lockbox key safe. Only people you want to access your keys will know the combination.
- **PICK-RESISTANT** - High security dials make it very hard to pick the lock.
- **UNIQUE COMBINATIONS** - 10,000 possible combinations
- **INDOOR AND OUTDOOR** - Constructed from non-ferrous material, making it corrosion-resistant and able to perform in any environment.
- **DURABLE** - Heavy-duty 16-gauge steel cabinet. Continuous piano hinge and steel hooks. No plastic that can break.
- **MULTI KEY STORAGE** - High capacity with 48 hooks.
- **COLOR CODED KEY TAGS** - Makes multiple key organization and identification easy.
- Comes with 24 colored tags: blue, red, black, and yellow
- Colored tags have a label like hanging file folders. Easily remove labels and add a new one. Includes replaceable Avery labels to print tidy key tag labels.
